TEACHER-DESIGNED CONTENT 0-5 YEAR OLDS WELCOME PLAY, EXPLORE, GROW TOGETHER

Playgroup at St Joseph's Kingswood is an opportunity for children to engage in a nurturing environment, where they can grow in confidence and develop social skills.

Our Playgroup program is hosted by one of our Reception teachers, creating a hub of intentional play in a friendly, relaxed environment.

Crucial to any child's growth is their relationship with their parents/key caregivers and our Playgroup provides a space for valuable shared experiences together.
